

Hosting Providers

Magnolia is in contact with several companies who provide independent Magnolia CMS Hosting.

Magnolia CMS Hosting is available without licenses. In order to deploy [Magnolia CMS Enterprise Edition](#) at these hosting partner a license subscription must be obtained directly at Magnolia:

<http://www.magnolia-cms.com/product/pricing.html>

And the Magnolia Certified Partners?

The list of [Magnolia Certified Partner](#) is published on the Magnolia web-site. A Magnolia Certified Partner is actively working with Magnolia as an organization and sends his consultants to [Magnolia CMS Developer Trainings](#) every year.
