What ?

We're setting up a first [MUG](#) meeting in Prague on Nov 24th. It seems like an ideal location, given that users from Berlin and Vienna were interested.

We're hoping this meeting will foster interest in the area, and perhaps help a couple of more local MUGs to sprout.

Location

Date & time: November 24th, 2011; Let's meet around 1PM. If anyone's in the area earlier, we'll be happy to share lunch !

Location: We're using a room at Confima s.r.o., located at [Magdalene Rettigová 79 / 8, 110 00 Prague 1](#). Using public transports: subway B, station Narodni Trida, or tram stop Lazarska (trams 3,9,14,24)

Topics and activities

Feel free to propose any topic or activity below. Presentations are welcome (modules, projects, ...) as well as ideas for workshops and discussions.

- Introduction - who is who
- Magnolia 4.5 - a quick overview of what's new
- **Please add your presentations and ideas here!**
- Community infrastructure - upcoming and feedback
- Future of MUGs

- [jboss.org](#): our experience with Magnolia, further plans ([ModeShape](#), integration modules)

Let's go for dinner and drinks afterwards ! 🍷
